

## Brush Service

Our brush truck is used daily and has greatly improved response time for brush being picked up at the curb. Brush must be at the street in order to have picked up. A lot of the alleys are too tight for the truck.

Remember to call to have brush picked up. If you notice a pile that has been there for a long time please call and give us the location so we can get it picked up and leave a tag to inform residents to give us a call in the future. Let's all work to Build a Better Bedford.

### Automated Compost Truck in Service

The automated compost truck is in service. Green toters and blue toters with **BLUE LIDS** will be emptied with an automated truck. This will improve the response time and allow for daily pickups. Toters must be at the street in order to be picked up. Toters will be picked up automatically on your trash day each week through October 31<sup>st</sup>. Remember to call to have your yard totor emptied from November 3<sup>rd</sup> until March 27<sup>th</sup>, 2026. We have toters available with the trash utility and the resident splitting the cost of the totor which is approximately \$26.00.

### SINGLE STREAM CURBSIDE RECYCLING

A Rear-Load trash truck will be in your neighborhood **EVERY OTHER WEEK** to collect your **recycles**. It will pick up your RECYCLING TUB on the same day the automated trash truck is in your neighborhood. Recyclables do **NOT** need to be separated into categories ... you may use as many containers as you wish. Common extra containers would be five gallon buckets, crates or even trash cans. **ALL COLLECTED RECYCLABLES WILL STILL BE PROPERLY SORTED AND PROCESSED BY RUMPKE RECYCLING**

Between regular pick-ups recyclables can be dropped off at the Recycling Center located at 3326 Mitchell Road  
M-F 6:00am-6:00pm  
Sat. 7:00am-5:00pm  
Sun. 12:00pm-6:00pm

From October 6<sup>th</sup> to October 31<sup>st</sup> **CALL** to get your leaves picked up and alleys with leaves are always call in only at 812-279-9222. If you do not mulch your leaves, please rake them in a pile within 3 feet of the curb in your lawn, not in the street. Leaves clog storm drains if piled in the roadway. Please do not place leaf piles on water meter lids or too close to the trash toters. Leaves can be placed in yard waste toters year around and call to schedule pickup. No bags in yard waste toters. Yard waste totor cost is shared so 96 gallon is about \$26. 812-279-9222 to schedule pickup.
